Mu SOAP

□

unMU SOAP Cedarwood - SP007

unMU SOAP

Ingredients:

Olive oil - high in oleic, linoleic and palmitic acids. It is highly moisturizing and naturally anti-bacterial. Olive oil is also rich in antioxidants such as vitamins A and E, and contains chlorophyll.

Coconut oil - contains lauric acid which is naturally anti-viral. In addition, it gives soap a creamy fast-foaming lather and is beneficial for dry skin by reducing protein loss.

Tallow - is high in oleic, palmitic, and stearic acids. This gives a creamy lather and good conditioning properties. It also results in a harder bar, facilitating longer use. Glycerin from tallow is chemically closer to the naturally-occurring oils on your own skin, and thus can be less drying than soap made from 100% plant-based oils. We render our own tallow from beef fat obtained at local butchers. In addition to preventing a useful substance from otherwise being wasted, we are able to produce the purest, cleanest tallow possible.

Virginia Cedarwood Essential Oil - has astringent, antiseptic, & antiseborrheic properties, and can be helpful for oily skin, acne, eczema, and soreness in muscles & joints. It also naturally repels insects.

Spearmint Essential Oil - relaxes nerves and calms muscle spasms, can relieve headaches, and is a potent anti-microbial and decongestant.

Our scented soaps are made with organic steam-distilled essential oils only: no artificial fragrances.

\$8.00 (SP007)

□

MU SOAP Lime Shave Puck - SP006

MU SOAP Lime Shave Puck

Handmade with Tallow, Shea Butter, Cocoa Butter, Castor Oil, Stearic Acid, Lime Essential Oil, and cruelty-free Tussah Silk.

Lime Essential Oil is a natural antiseptic & disinfectant, is anti-viral & anti-bacterial, and is a great astringent & skin toner.

Our scented soaps are made with organic steam-distilled essential oils only: no artificial fragrances.

\$10.00 (SP006)

□

unMU SOAP Lemongrass - SP005

unMU SOAP

Ingredients:

Olive oil - high in oleic, linoleic and palmitic acids. It is highly moisturizing and naturally anti-bacterial. Olive oil is also rich in antioxidants such as vitamins A and E, and contains chlorophyll.

Coconut oil - contains lauric acid which is naturally anti-viral. In addition, it gives soap a creamy fast-foaming lather and is beneficial for dry skin by reducing protein loss.

Tallow - is high in oleic, palmitic, and stearic acids. This gives a creamy lather and good conditioning properties. It also results in a harder bar, facilitating longer use. Glycerin from tallow is chemically closer to the naturally-occurring oils on your own skin, and thus can be less drying than soap made from 100% plant-based oils. We render our own tallow from beef fat obtained at local butchers. In addition to preventing a useful substance from otherwise being wasted, we are able to produce the purest, cleanest

tallow possible.

Goat milk - especially high in vitamin A, which helps to repair damaged skin. It also contains capric/caprylic triglyceride which is an excellent moisturizer, and has anti-microbial properties. Lactic acid (an alpha-hydroxy acid) gently removes dead skin cells and stimulates collagen and elastin production. Our goat milk comes specifically from April the alpine goat courtesy of Laughing Buck Farm!

Lemongrass Essential Oil - contains citral, an antioxidant that is anti-inflammatory, antibacterial, and antifungal. It also reduces anxiety, helps insomnia, and fights yeast infections.

May Chang Essential Oil (litsea cubeba)- natural deodorant and astringent, and has antiseptic, antimicrobial, antifungal, antiviral, and anti-inflammatory properties. It has also been shown to reduce negative emotions and promote relaxation and restful sleep.

Our scented soaps are made with organic steam-distilled essential oils only: no artificial fragrances.

\$8.00 (SP005)

unMU SOAP Lavender - SP004

unMU SOAP Lavender

Ingredients:

Olive oil - high in oleic, linoleic and palmitic acids. It is highly moisturizing and naturally anti-bacterial. Olive oil is also rich in antioxidants such as vitamins A and E, and contains chlorophyll.

Coconut oil - contains lauric acid which is naturally anti-viral. In addition, it gives soap a creamy fast-foaming lather and is beneficial for dry skin by reducing protein loss.

Tallow - is high in oleic, palmitic, and stearic acids. This gives a creamy lather and good conditioning properties. It also results in a harder bar, facilitating longer use. Glycerin from tallow is chemically closer to the naturally-occurring oils on your own skin, and thus can be less drying than soap made from 100% plant-based oils. We render our own tallow from beef fat obtained at local butchers. In addition to preventing a useful substance from otherwise being wasted, we are able to produce the purest, cleanest tallow possible.

Goat milk - especially high in vitamin A, which helps to repair damaged skin. It also contains capric/caprylic triglyceride which is an excellent moisturizer, and has anti-microbial properties. Lactic acid (an alpha-hydroxy acid) gently removes dead skin cells and stimulates collagen and elastin production. Our goat milk comes specifically from April the alpine goat courtesy of Laughing Buck Farm!

Lavender Essential Oil - this scent has a calming effect which may aid in relaxation and the reduction of anxiety and stress. Lavender also has antibacterial and antiseptic properties, and can aid healing of insect bites, sunburns, or skin infections.

Our scented soaps are made with organic steam-distilled essential oils only: no artificial fragrances.

Coconut oil - contains lauric acid which is naturally anti-viral. In addition, it gives soap a creamy fast-foaming lather and is beneficial for dry skin by reducing protein loss.

Tallow - high in oleic, palmitic, and stearic acids. This gives a creamy lather and good conditioning properties. It also results in a harder bar, facilitating longer use. Glycerin from tallow is chemically closer to the naturally-occurring oils on your own skin, and thus can be less drying than soap made from 100% plant-based oils. We render our own tallow from beef fat obtained at local butchers. In addition to preventing a useful substance from otherwise being wasted, we are able to produce the purest, cleanest tallow possible.

MU SOAP April's Goat Milk - SP002

MU SOAP April's Goat Milk

Ingredients:

Olive oil - high in oleic, linoleic and palmitic acids. It is highly moisturizing and naturally anti-bacterial. Olive oil is also rich in antioxidants such as vitamins A and E, and contains chlorophyll.

Goat milk - especially high in vitamin A, which helps to repair damaged skin. It also contains capric/caprylic triglyceride which is an excellent moisturizer, and has anti-microbial properties. Lactic acid (an alpha-hydroxy acid) gently removes dead skin cells and stimulates collagen and elastin production. Our goat milk comes specifically from April the alpine goat courtesy of Laughing Buck Farm!

Accessories and Cleaners

□

Jeweler's Fine Shine Polishing Baton - CA106

Directions:

1. Using the treated side (light blue) of the fine shine polishing baton gently move the baton in a back-and-forth motion. The specially designed nonabrasive formula will not scratch your precious metals or gems.

2. For a brilliant shine turn the baton over and using the buffing side (dark blue) polish the jewelry to its original sparkle.

\$3.50 (CA106)

□

Jewelry Polishing Cloth - CA107

Directions: Clean with dark red cloth. Rub surface briskly with dark rouge cloth to remove tarnish. Article being cleaned should be completely dry. If badly soiled, slight moistening of tarnished area will help restore the fine finish. Polish with light cloth to heighten luster.

\$5.00 (CA107)

□

No Tarnish Protector Strip - CA105

Directions: Place jeweler's "no tarnish" protector strip in an enclosed area such as a drawer or jewelry box with items requiring tarnish protection. Place printed side of strip down with blank side exposed to air. Each strip protects one cubic foot of space. Replace strips at least every six months, or more often if exposed to air.

\$4.00 (CA105)

□

Comfees® Pierced Ear Protectors - CA102

Directions: Take two sleeves and two backs from package and clean with alcohol. Gently slide the protective sleeve all the way onto the earring post. If necessary, trim so clutch will fit on post. Push earring through ear and carefully slide the clutch onto the post.

Contents: 8 sleeves and 4 backs.

\$3.50 (CA102)

□

Comfees® Lobe Lovers Ear Protection System - CA108

Directions: take two sleeves and two backs from package and clean with alcohol. Gently slide the protective sleeve all the way onto the earring post. Push earring through ear and carefully slide the clutch onto the post.

Contents: 2 sleeves and 2 backs.

\$11.95 (CA108)

□

Comfees® Ear Protectors - CA101

Directions: Simply put on your earring, then slide a stabilizer onto the post between your ear and the earring clutch.

Contents: 4 Pairs Of Protectors.
