**Blue Kyanite Teardrop Earrings - JCL119**

Created using a blue kyanite teardrop bead. The earring hangs from a surgical steel French earwire.

The earring measures approximately 1 ¼ inch (28mm) from the top of the earwire.

The earwire itself is made from a base of surgical grade stainless steel and then polished to a mirror shine. Each pair comes with a set of clear plastic earwire stoppers. The stoppers give you confidence of a secure fit so you can wear them without the fear of them falling out.

Sensitively Yours brings you a variety of handmade artistic designs that have been very much appreciated by our customers. All of the works are designed to display a look of class and charm while also being easy to wear.

**\$21.95**

**Celtic Knot Drop Earrings - JCL121**

Created using a silver plate Celtic knot charm. The earring hangs from a surgical steel French earwire.

The earring measures approximately 5/8 inch (18mm) from the top of the earwire.

The Celtic knot is a complete loop that has no start or finish and could be said to represent eternity whether this means family, loyalty, faith, friendship or love. Only one thread is used in each design which symbolizes how life and eternity are interconnected.

The earwire itself is made from a base of surgical grade stainless steel and then polished to a mirror shine. Each pair comes with a set of clear plastic earwire stoppers. The stoppers give you confidence of a secure fit so you can wear them without the fear of them falling out.

Sensitively Yours brings you a variety of handmade artistic designs that have been very much appreciated by our customers. All of the works are designed to display a look of class and charm while also being easy to wear.
